

BB eBooks

BB eBooks Co., Ltd. Company Profile

Mission: *To provide the highest-quality conversions at the lowest rates possible, and as fast as possible for independent authors and small presses around the world.*

Profile: BB eBooks is a Bangkok-based company that was founded in 2013 to provide fast, reliable, and professional formatting and design services for books created by independent authors and small presses. All books created by BB eBooks are immediately ready for sale at all major online retailers (including Amazon, iTunes, Kobo, and many others). BB eBooks acts as a business-to-business contractor for the worldwide publishing community to bring about better standards for book layout and production. BB eBooks is also committed to ethical conduct and promoting a sexual harassment-free work environment.
